

MHFS PARENTAL EXPECTATION

The club requires a positive involvement from all parents.

The programs are most successful when parents, athletes and coaches work together.

Through education and communication, the partnerships between the parent, Club and coach can be enhanced, culminating in nurturing a sporting environments for the children while fostering lifelong participation in winter sports and a healthy lifestyle.

As an integral part of this group, and as representatives of MHFS when at competitions, training or other events, parents are expected to represent a positive role model and uphold the **Members Code of Conduct**.

Parents agree to abide by the following:

1. While in attendance at MHFS competitions or events, parents must demonstrate responsible behaviour to lead by example. Among other things, this include:
 - Providing positive support to athletes - even when they fail
 - No abusive behaviour towards officials, coaches or athletes
 - No harassment of others
 - Responsible use of alcohol
 - Supporting all team members in their pursuit of excellence
2. Parents are not permitted on a competition course or training venue unless:
 - Designated by a coach
 - Requested to prep or maintain the course/ venue
 - Acting as an official or judge
3. Parents shall not act as a coach during competition or training sessions.
4. Parents will inform MHFS of all existing medical conditions which could affect your athlete's safety or participation. This will enable us to best ensure a positive experience for all.
5. MHFS welcomes your constructive input; when issues arise that need attention, please approach the coach involved first. If the issue is not resolved at that level, please speak to your Program Director.
6. Parents should not place MHFS coaches in an embarrassing situation and must book coaches for private use directly through MHSC only.
7. If there are any questions/ queries or underlying issues in relation to members, please refrain from discussing it with others and please contact the president or supporting club staff directly to resolve.
